Mission Statement

The students at St Peter Chanel School will receive a comprehensive education with a special emphasis on their Catholic faith development.

School Vision

Whole Education. Whole Person.
We want our students to be:
Followers of Christ, Thinkers,
Contributors, Communicators,

School Spirit Cup

This week the School Spirit Cup was awarded to Everett Williams and Henry Aguilar. Everett and Henry worked with Mr Jack spreading top soil around the playing field. It was heavy, hard work. Mr Jack appreciated the boys' support. They took on the task seriously and applied themselves well, completing a good job. We thank them for their service.

Bikes Wanted

I support resettlement of refugee families into Hamilton. I'm currently supporting a mum with 3 children from DRC via a Rwandan refugee camp. The children are boy 4, boy 6, girl 8. They have never owned bikes before and their mum is hoping to find some somewhere. I am wondering if any families have bikes their children have grown out of and their child would be happy to donate to this family. I can collect or we can arrange delivery to the children.. Thanks for considering this opportunity to donate. Contact Linda Richards Phone 0272500018. Many thanks.

ERO– Profile Reporting

Te Ara Huarau is the evaluation approach that the Education Review Office (ERO) is using in our school. This a developmental approach to evaluation where ERO and our school work together over time rather than one off reviews that happened previously. Te Ara Huarau is used in most English-medium state and state-integrated schools.

ERO maintains a regular review programme to evaluate and report on the education and care of young people in the schools. Our school worked alongside ERO to write our Profile Report. This type of report will only happen once as part of our initial engagement with Te Ara Huarau. The profile report reflects our strategic goals and a shared evaluation focus one or more areas that are important to us as we work together to improve outcomes for all our learners. ERO, like us, have a strong focus on equity and excellence. Future reporting will show our progress and achievement towards meeting the goals we have set. Public reports like the Profile Report are published on ERO's website.

A Board Assurance Report that shows how we are meeting regulatory and legislative Requirements has also been published.

Student Lead Activities

Students have been provided the opportunity to organise events for others. Some of the activities we have had this year include:

- football tournament
- art competition
- colouring competition
- chess competition
- pet show
- talent quest
- singing competition
- dance group
- gym group
- manhunt
- frisbee
- Netball tournament

Before approval is granted by the principal a letter requesting his support must be submitted. The letter must include all the organisational details i.e. target group, officials names, criteria, dates, entry information, support required, rules etc.. Once approved the student organisers advertise the event at the school assembly. The whole concept is student initiated and lead and a wonderful opportunity to develop leadership skills and increase the interest and activities in the school.

School Cross Country

The children have begun their preparation for school Cross Country, which is scheduled for **Wednesday 23rd August**. (Note: date change) Cross Country is one of those events where children either love it, endure it or hate it. We spend the build up time before the cross country event encouraging children to train hard, build up endurance and strength, develop perseverance, and to face the challenge with determination and a good attitude. Parents can assist by:

Encouraging talk

Join in the training -(go for walks or runs with your child)

Set up a training schedule

Make it a fun family activity.

School Offering

The students in our school are very fortunate to be able to attend a weekly Mass. As the school uses the church so frequently, at no cost, we have decided to have a gold coin collection at the first Mass of each month. The collection will be given to the parish as a contribution towards the cost of heating, lighting and cleaning. We are teaching our children to recognise there is a cost to everything and we have a responsibility as community members to contribute.

Mid-Year Learning Discussions

Thank you to the many parents who were able to attend the mid-year learning discussions. The discussions provided an excellent opportunity for parents to learn more about their child's learning and to discuss how they can assist and provide support.

Congratulations

Sean Beggs is currently in the USA where he has just competed at the Junior World Pool Championships. It's been a long week of competing but Sean managed to finish 3rd in the Under-12's. He then went on to compete with his brother, Jack, in the Under-16 pairs divisions which they took out—well done Sean and Jack.

We will no longer be distributing paper copies of the newsletter, but there will be some paper copies available in the school office.

Baptism

Dear Parent/Caregivers

Next term I will be running a baptism programme for any student wanting to become a Catholic. I am not sure of the dates yet and how this will be structured. However, I am taking names for those who are interested. I will send out a notice early next term to set up a meeting with all the parents and children involved to get ideas of when it will suit you and your child timewise.

Please fill out the form below and return it to St Peter Chanel School Office.

This new sports shirt replaces the old red PE shirt. As children grow out of their red PE shirt, parents can purchase either a second-hand sports shirt for \$10, or a new sports shirt for \$40, both are available from the Uniform Shop.

Children can continue to wear their red PE shirt at school and borrow a second-hand sports shirt for a \$10 refundable bond to wear when they are representing the school in off-site sport. Many thanks to our models, L to R: Joey Murphy, Lucy Murphy, Emily Aitken.
