Our Programmes

Our Before school care aims to ensure children are looked after in a supportive environment before the school day officially begins, providing parents peace of mind and allowing children to start their day in a structured and safe setting. We offer daily active challenges, as well as quiet activities and every child has the option to enjoy a light breakfast to kickstart their morning.

Our After School Club is designed to provide children with an exciting end to their day in a friendly atmosphere. Upon arrival, children will be provided with healthy snacks to keep them energized for the rest of the afternoon. A quiet space is available to allow children the chance to complete their homework or do some reading. A selection of activities will also be available to them which can include arts and crafts, baking and outdoor games. A specialized lesson will be offered to cater their interests in arts, music, or sports. This is an extra activity option offered at additional cost.

Our Holiday Club offers flexible daily booking sessions, ensuring convenience for busy whanau. Each day is packed with excitement, guaranteeing something for everyone to enjoy. Mornings are dedicated to specialized sports, followed by themed afternoon activities and free play, creating a memorable holiday experience for your children.

About Sunshine Kidz Club

We started providing a great service for children and their whanau in 2015. Our goal was to create an environment that would foster cultural diversity in a safe place where every child felt belonged.

Our Philosophy

As a childcare provider, we believe that it is important for children to experience a cultivating environment that will help them nurture their emotional and social well-being. We give priority to creating a fun and safe space that leaves a lasting positive impact, fostering a sense of happiness, fulfilment and fond memories.

Activities

Sunshine Kidz Club OSCAR programme is a time for children to relax and a place for them to enjoy themselves. Activities are usually planned through children's interests weekly, with staff guiding the children to make it a memorable experience.

Staffing

Our Program Team Leaders are experienced childcare providers and participate in an ongoing training to further develop their skills and knowledge into the childcare sector. All staff are police checked and employed in accordance with Te Kahui Kahu Standards of Approval.
